

All in one  
ELECTRONIC (Side printing)  
TIME RECORDER/STAMP

# PIX-200

The PIX-200 is an all in one electronic time recorder/stamp designed for modern society. This top-of-the-line product can be equipped with most Amano PIX series functions that you need at a reasonable price.

The clock is great for various business applications requiring simple time and attendance clocking. As a time/date stamp and numbering machine, the small footprint uses little desk space and has a quiet operation suitable for office environment. Varieties of print formats address most every need. Ideal for banks, finance companies and government offices.
